

# JOIN US FOR THE ASTM F02 COMMITTEE MEETING IN NICE, FRANCE

OCTOBER 2018

F02 OCTOBER 2018 MEETING

## ASTM COMMITTEE F02 ON PRIMARY BARRIER PACKAGING

OCTOBER 3 - 4, 2018 | AC HOTEL BY MARRIOTT | NICE, FRANCE

ASTM Committee F02 on Primary Barrier Packaging was formed in 1957. The Committee meets twice a year, in April and October, with approximately 50 members attending two days of technical meetings capped by a presentations on relevant topics in the primary barrier packaging industry. F02 has a current membership of about 200 and has jurisdiction of 85 standards, published in the Annual Book of ASTM Standards, Volume 15.10 and in the compilations entitled "ASTM Packaging and Shipping Container Standards" or "ASTM Standards on Materials and Environmental Microbiology".
